### How to play

- Hand out a Word Card to each student (or group).
- Ask each student (or group) to choose a list of words and, then, to copy them all over, onto their Word Cards.
- Cut out all the words in the grid, below, until they are all single words and, then, put them in a box.
- Draw out one word at a time; read it out, and ask the students to check whether that word is on their Word Card.
- The winner is the first student (or group) to complete their Word Card and shout 'BINCO!'
