

Activity 29

Levels: 1, 2 and 3

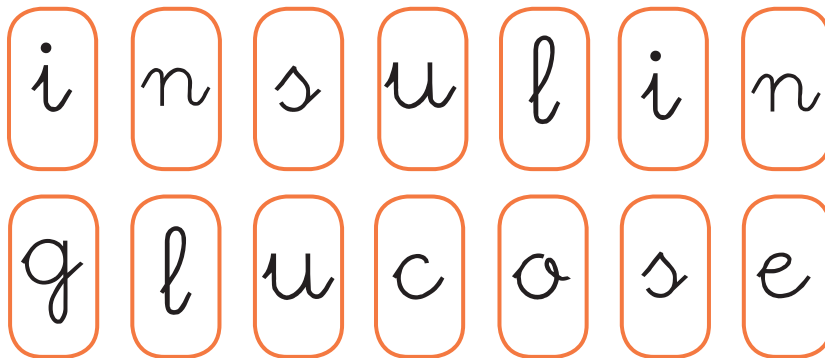

Title: Anagrams

Let's see how many different words you can make up, out of the letters of these two words, in 5 minutes!

If you like, you can cut out the letters, so you can move them about and make it easier to see new words.

If you're in class, form teams and see which team can come up with the most words!

NEW WORDS

	WORD	POINTS		WORD	POINTS
1			10		
2			11		
3			12		
4			13		
5			14		
6			15		
7			16		
8			17		
9			18
